

# KATSACT pedoaming att

KatsAct was founded by Katherine Males (now Foxworthy), in January 2013 and is now run by a committee (including Katherine), who are all focussed on making KatsAct a success!

We have so far continued the initial focus on enabling professionals to keep practising, whilst encouraging amateurs to be involved in productions with other like-minded people, but have also branched out into Showreel production, short films (SOLD) and events.

2016 has been another exciting year with our very successful production of Annie as the highlight, with further high demand for our Showreel production, along with the continuing work on our first short film, SOLD, plus with increasing interest in KatsAct being involved in different themed events.

The company aim continues to be to put on productions (both theatre and film), that are affordable to all and to encourage people from all backgrounds to get involved. We are particularly proud of the new members who join with each new production and of the progress that they seem to make in a very short period of time.

There are still the two main parts to KatsAct. The Kats (Kids Amateur Theatre School) and the Act (Adult Community Theatre). Although with the new and exciting projects on the horizon this could expand in future!

KatsAct will continue to grow and develop and we hope to both end 2016 on a high and look to 2017 for further exciting shows and projects.

Want to get involved? Contact us via email at <a href="mailto:KatsAct@hotmail.com">KatsAct@hotmail.com</a>. We are always looking for individuals to get involved, whether that is as an actor, crew member, director, fund raiser, or any other role you feel you can help with!
